Elevate Buffet &
Banqueting Experiences

What is *Bucambilia*®

Ideal for the dining hall,
corporate dining, hospitality
venues, and banqueting on-site
or remotely.

All your **standard and custom
buffet and displayware
solutions** to keep cold food
cold and elevate your buffet
presentation in a cold well, on a
countertop or banquet table.

Keep Cold Food Cold Longer

Food Safety, Reduced Food Waste,
Elevated Guest Experience

Lower Cost of Ownership

Does not chip, lower replacement
rate compared to China or Porcelain
alternative

Stunning Food Presentation

Sleek design, multiple shape and
colors, Elevated Guest experience

Bugambilia®

Offering & Positioning

Displayware & Serveware

Salad Bar

For Displayware & Serveware

GOOD

Porcelain Displayware

50%-150% average annual replacement rate. Prone to breaking and chipping.

BETTER

Melamine Displayware

10%-15% average annual replacement rate. Lighter than Porcelain but no temperature retention, more durable than porcelain.

BEST

Bugambilia Displayware

Less than 1% average annual replacement rate. More durable than melamine, better temperature retention, stunning presentation.

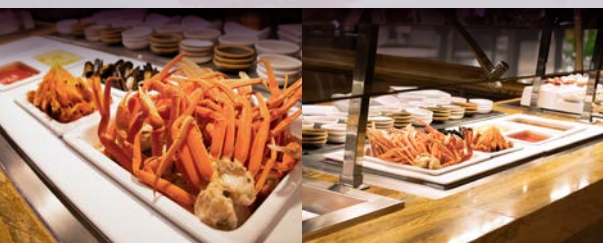

For Salad Bar

GOOD
Stainless Steel

BETTER / BEST

A Bugambilia solution to cater to
any salad bar & cold well needs
